

## ***An Hour with An Hour with Sam: The Policy's Position on Home-Sharing and How to Handle It***

**Wednesday, JULY 19, 2023 from 2:00 PM to 3:00 PM (Eastern)**

**Description:** The goal of this course is multifaceted. We will review reasons why our personal lines clients wish to participate in sharing activities. We will discuss concerns that exist when our clients offer their property and/or use property of others via popular web-enabled services such as VRBO, Airbnb and similar platforms. We'll explore the most commonly-used homeowner coverage form and the endorsements introduced for these exposures. Finally, we'll glance at the personal auto policy as well as watercraft and recreational vehicle coverage forms to better understand coverage issues that may arise when these items are shared with others. Required notice for Florida licensees: This course is approved by the Florida Department of Financial Services for insurance continuing education credit.
